NEW! POWERHOUSE Real estate construction costs too much, takes too long, and incurs too much risk. Active Power's new **POWERHOUSE** offers up to 1.3 MW (4 x 333kW) of modular, plug-and-play, battery-free UPS in a single 40' ISO container. It's your self-contained battery-free UPS plant room, wherever and whenever you need it. **FAST!** Need more than 1.3 MW? Simply call up another container to scale up.
