

Trystar 24/7 Remote Online Webinar Training

November - December 2020

At Trystar, we understand the need for remote training content that is available 24/7, on your time. To accommodate this, we have launched our Remote Online Training platform to deliver industry leading product and application training at your convenience. This webinar can be taken at any time between November 1 and December 31, 2020. An overview of the content you can expect to see is below:

- 1) Introduction to Trystar & the Generator Docking Station
- 2) Product & Real World Application Reviews
- 3) How to Comply with NEC 700.3(F)
- 4) Tutorial on Accessing Trystar Online Resources

Completion Incentives:

Participants will receive a premium Trystar item based on their ten-question quiz score at the end of the webinar.

- Score of 50% or higher: Plastic Trystar Thermos
- Score of 70% or higher: Trystar 20oz Yeti Mug

Once the webinar and quiz are completed your scores will automatically send to the Trystar team to review. If your score qualifies for a premium item, we will reach out to coordinate shipping details.

Best of luck!
